

playon GOLF DAY

Hosted by Paul Walsh

Join former Manchester City, Liverpool and Spurs striker Paul Walsh and friends for a fantastic day of golf and fun with PLAYON in support of Kidneys For Life. The charity is very close to Paul's heart and is based at Manchester Royal Infirmary.

Kidneys for Life raises money for research into kidney disease, transplantation, dialysis and related disease affecting the kidney; direct patient amenities for renal and transplant patients not usually funded; supports education of the renal multi-disciplinary team and patients; support for conferences & workshops relating to kidney disease and the purchase of medical equipment.

To secure your team or for further information please contact
