

January 2021

Dear Supporter,

Welcome to special water bottle design competition.

Your mission, should you choose to accept it, is to design The Kidneys for Life water bottle which will be made then sold in our online shop!

We are very excited to be able to share this with you and look forward to seeing all the fantastic designs.

Our judging panel will include designer Danny Cameron as well as other highly regarded supporters of the charity.

As well as the winning design being on our new bottles, the winner will receive a craft hamper, a Kidneys for Life hoodie and a certificate. The two runners up will receive Kidneys for Life T shirts and certificates.

A couple of things to remember;

*All drawings must be done in purple pen, no stickers or stamps.

*If printing off at home please do so in A3 landscape - this allows the rectangle that will wrap around the bottle to be the correct size!

*The judges' decision is final.

*KFL reserve the right to use the winning design free of charge on the water bottles.

*Slight modifications may be made to the final design at the printing stage, however, the design will be recognisable.

*Entrants must be under 18 years.

Send it to us at:
Kidneys for Life,
Renal Transplant Labs,
Manchester Royal Infirmary,
Oxford Road,
Manchester,
M13 9WL

The closing date is the **28th March 2021** and the winner will be announced on Easter Monday 2021.

Good luck and happy drawing!

The KFL Team
