\*I confirm that I am a UK Income or Capital Gains taxpayer. I have read this statement and want Kidneys for Life to reclaim tax on the donation above, given on the date shown. I understand that if I pay less income Tax/Capital Gains Tax in the current tax year than the amount of Gift Aid claimed on all my donations it is my responsibility to pay the difference. I understand the charity will reclaim 25p on every £1 that I have given.
